Leasowe Primary School Pupil Premium Statement 2021-22

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Leasowe Primary School
Number of pupils in school	234
Proportion (%) of pupil premium eligible pupils	159 (68%)
Academic year/years that our current pupil premium strategy plan covers	2021/22 to 2024/25
Date this statement was published	
Date on which it will be reviewed	July 2022
Statement authorised by	Claire Hill, Headteacher
Pupil premium lead	Claire Hill
Governor / Trustee lead	Sue Tyler- Ross Governor

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£ 205,785

Recovery premium funding allocation this academic year	£ 22,330
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£228,115
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	

Part A: Pupil premium strategy plan

Statement of intent

At Leasowe Primary School, our intention is for every child to succeed, irrespective of their background, starting point or barriers faced. The focus for our Pupil Premium strategy is to support our most disadvantaged children as they journey towards that end goal, promoting progress for all, despite their academic profile.

We continually consider the challenges faced by our most vulnerable children such as those whose family are in Social Care and those who are themselves young carers. As far as we consider the needs of our most vulnerable pupils, equally we intend to support all children whether or not they are vulnerable.

Quality first teaching and learning is at the heart of all that we do at Leasowe Primary School with real focus placed upon areas in which disadvantaged pupils require the most support such as Cultural Capital opportunities.

In order to achieve the best outcomes from out PPG, we apply the EEF's recommended Tiered Planning Model to target provision in the following areas:

- Quality First Teaching enhancing the quality of teaching through: high impact staff professional development; curriculum prioritisation and embedding whole class, well-evidenced high impact teaching approaches:
- Targeted academic support —targeted use of well-evidenced high impact interventions, based on high quality assessments, to support pupils in 'catching up.' Interventions will be explicitly linked to classroom learning and will use systems for effective feedback to ensure a coherent learning experience.
- Wider support these strategies will focus upon 'levels to attainment' including enhancing positive mental health and emotional well-being, embedding learning

behaviours and social and emotional learning, improving attendance and punctuality and supporting families.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Low starting points in terms of language development and oral language skills.
2	Greater difficulties with phonics which can negatively impact upon early reading.
3	Maths attainment among disadvantaged pupils is significantly below that of non-disadvantaged children.
4	The mental health, social communication and wellbeing of our disadvantaged children have been impacted by partial school closure during the pandemic to a greater extent to other children.
5	Attendance below 90% for identified pupils in receipt of PPG
6	Limited access to equipment, experiences and enrichment opportunities.

Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
1. Increased rates of progress from starting points for children new to F2 and Y1 focusing on Communication and Language,	From baseline assessments, disadvantaged children and children with English as an additional language make good progress and achieve in all areas and accelerated progress if they have started below that of their peers.
2. New Early Reading Scheme successfully embedded	Outcomes for PP children are in line with Wirral and National counterparts for reading and phonics and any gap between non-
All staff members have successfully completed phonics training	PP children has been diminished
Children become more self-motivated readers. This will result in improved outcomes and diminish the difference.	
3. Regular interventions support children's progress and attainment and address gaps in learning as a result of COVID. Small group maths tuition in place.	Disadvantaged children to achieve at least National Average Progress score in maths
Sufficient time is allocated to staff development. Staff use evidence based, whole class teaching interventions. Children that had gaps in learning following COVID will have made significant progress.	
4. School staff and professionals are successfully able to engage with and support families facing challenges.	Positive mental health and well-being advice and support is available for all.
School staff are able to work closely with parents on mental health and well-being programmes	Parents' questionnaires and Pupil Voice responses are positive
Attendance policy and procedures ensure effective and timely response to absenteeism	Improved attendance of disadvantaged pupils to be in line with national counterpoints/Leasowe NPP
Parents engage with LA attendance officer, school Family Liaison Officer and school attendance officer which in turn improves attendance and readiness to learn	

 A carefully planned programme of visits and visitors broadens our curriculum and creates opportunities for our PP children.
 Wide programme of extracurricular activities throughout the year, providing a range of experiences for PP pupils to access. A range of visitors and visits support children's understanding of society and learning is enhanced.

Funding or a lack of equipment is not a reason for PP pupils to not access activities.

Activity in this academic year 2021-22

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £2,830

Activity	Evidence that supports this approach	Challeng e number(s) addresse d
Quality First teaching for all pupils to narrow the gap between PP and non-PP children. Ensure all relevant staff (including new staff) have received training and moderation training to deliver reading, writing and mathematics effectively	"Good teaching is the most important lever schools have to improve outcomes for disadvantaged pupils." EEF guide to the Pupil Premium Sutton Trust – quality first teaching has direct impact on student outcomes. https://www.suttontrust.com/wpcontent/uploads/2019/12/2teachers-impact-report-final-1.pdf "Evidence consistently shows the positive impact that targeted academic support can have."	1,2,3

Ensure all relevant staff (including new staff) have received paid-for training to deliver phonics effectively so that there is rapid catch up and progress	Phonics approaches have a strong evidence base indicating a positive impact on pupils, particularly from disadvantaged backgrounds. Targeted phonics interventions have been shown to be more effective when delivered as regular sessions over a period up to 12 weeks https://educationendowmentfoundation.org.uk/news/phonics-mastering-the-basics-of-reading	1,2
Cluster/collaborati ve projects and release time for designated staff to attend training and cluster meetings.	https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/467855/DFE-RR466 School_improvement_effective_school_partnerships.pdf	1,2,3,4
Sufficient time is allocated to staff development.		

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £179,561

Activity	Evidence that supports this approach	Challenge number(s) addressed
Bespoke programmes of support developed to meet individual needs Work with Orrets Meadow in order to target intervention for Disadvantaged pupils in reading, writing and maths.	Complement high quality teaching with carefully selected small-group and one-to-one interventions. "Evidence consistently shows the positive impact that targeted academic support can have." EEF_Special_Educational_Needs_in_Mainstream_Schools_ Guidance_Report.pdf (d2tic4wvo1iusb.cloudfront.net)	1,2,3,4
Talk about Town Speech and Language Service to develop children's language through targeted interventions and support of cteachers. This also provides support with the SEND referral process.		
Establish small group maths/English interventions for disadvantaged pupils falling behind age-related expectations offering a bespoke basic skills intervention in conjunction with B Squared curriculum	We want to provide extra support to improve attainment. Small group interventions with highly qualified staff have been shown to be effective, as identified by the EEF Toolkit. (+4 months) See: Teaching and Learning Toolkit EEF (educationendowmentfoundation.org.uk) 'Schools should use structured interventions with reliable evidence of effectiveness' and use them with 'fidelity'. Making Best Use of Teaching Assistants EEF (educationendowmentfoundation.org.uk)	2,3

Encouraging wider reading and providing catch-up in mathematics – typically an area of weakness	Reading is a key determiner for academic success. Closing the reading gap leads to improved confidence, engagement and greater outcomes. Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, both one-to-one: One to one tuition EEF (educationendowmentfoundation.org.uk) The DfE non-statutory guidance has been produced in conjunction with the National Centre for Excellence in the Teaching of Mathematics, drawing on evidence-based approaches: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1017683/Maths_guidance_KS_1_and_2.pdf https://educationendowmentfoundation.org.uk/public/files/Publications/Maths/KS2_KS3_Maths_Guidance_2017.pdf	1,2,3
Level 3 TA to lead intervention support in KS1 4 level 2 TAs to offer a basic skills curriculum for children experiencing significant barriers to learning 3 level1 TAs to provide Wave One support for children with barriers to learning	Making Best Use of Teaching Assistants EEF (educationendowmentfoundation.org.uk)	1,2,3,4

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £45,724

Activity	Evidence that supports this approach	Challenge number(s) addressed
Introduce new reading scheme to develop reading for pleasure and improve comprehension skills	Reading for pleasure can have a positive impact on Mental Health and wellbeing https://www.cambridge.org/elt/blog/2018/09/27/readaxation-reading-pleasure/ Using high quality texts will ensure that all children have access to quality literature. https://clpe.org.uk/system/files/CLPE%20Reading%20for%20Pleasure%202021_0.pdf • Evidence suggests that there is a positive relationship between reading frequency, reading enjoyment and attainment (Clark 2011; Clark and Douglas 2011) https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/284286/reading_for_pleasure.pdf	1,2,4
Improving attendance and readiness to learn for the most disadvantaged pupils In house attendance office to support families to address persistent absence alongside family liaison officer	"Interventions may well be one part of an effective Pupil Premium Strategy, they are likely to be most effective when deployed alongside efforts to attend to wider barriers to learning, such as attendance and behaviour." The DfE guidance has been informed by engagement with schools that have significantly reduced levels of absence and persistent absence. Embedding principles of good practice set out in the DfE's Improving School Attendance advice. https://www.gov.uk/government/publications/school-attendance/framework-for-securing-full-attendance-actions-for-schools-and-local-authorities	1,2,3,4,5,6
	Attendance data – data shows that pupils with higher attendance make the most progress due to increased opportunities for overlearning and access to the curriculum. https://schoolleaders.thekeysupport.com/pupils-and-

Engaging the families facing most challenges Signposting families for support Offering support to vulnerable families facilitated through school as directed by IFD	EEF guidance reports research for schools and teachers with recommendations to support parental engagement in children's learning. https://educationendowmentfoundation.org.uk/educationevidence/guidance-reports/supporting-parents Indicators of successful participation in school include consistent attendance, academic achievement, and aspirations for continuing education beyond high school. https://nces.ed.gov/pubs95/web/95741.asp	4,5,6
Promoting and supporting positive mental health and well-being using the Rest Easy Programme. Working closely with parents on mental health and well-being programmes School trips and extracurricular activities partially or wholly subsidised	Positive mental health and well-being strategy development through the school https://educationendowmentfoundation.org.uk/educationevidence/guidance-reports/metacognition Equality of Opportunity. See Social Mobility Commission https://www.gov.uk/government/publications/extended-services-subsidy-pathfinder-in-schools-evaluation	4,5,6
New school mini bus to transport children to trips and enrichment activities. In addition to this the bus supports with attendance issues.		

Total budgeted cost: £ 228,115

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

The introduction of the Family Liaison Officer provided much needed support for vulnerable children and families. Regular opportunities to chat to peers and relevant professionals provided multi disciplinary support for children and family wellbeing.

Regular trips for PP parents broadened the experiences for our families having a positive impact on mental health and wellbeing.

TA support in school provided invaluable opportunities to close gaps created by missed periods of schooling and in turn boosted the self esteem of the children involved.

Talk about Town involvement greatly supported the SEND referral process and rapid diagnosis in many cases. Ongaong in school interventions for Speech and language further developed children's communication skills.

Attendance remains an ongoing concern as Covid has had an impact on parents, perception of the importance of school attendance in some cases.

Enrichment opportunities will continue to be a focus but have proved to be hugely beneficial in developing children's understanding of the wider world.

Our assessment data is still not as expected due to Covid-19 impact, As evidenced in schools across the country, school closure was most detrimental to our disadvantaged pupils, and they were not able to benefit from our pupil premium funded improvements to teaching and targeted interventions to the degree we had intended. Progress has been made to address gaps and this will continue into 2021-22

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	
What was the impact of that spending on service pupil premium eligible pupils?
